

September 2017 Report from BRLSI Membership sub-Committee for Man Com

1. September 2017 Membership Total

The graph below shows totals from January 2016 to 1st September 2017.

Our total at 20th October 2017 is 690 members, getting back towards the 700 mark.

2. 2017 BRLSI Members’ Christmas Party Saturday 16th December 2017

Membership sub Committee would be grateful if Chair of other sub Committees could inform members about the stupendous value of the 2017 Christmas Party. Tickets are on sale already for only £20, as for the last three years, at Reception. Tickets will ensure their holders have access to delicious food, wine, soft drinks, a Collections Photograph Quiz and entertainment from the acoustic group “Now and Then”. Sales are on a ‘first 56 to pay’ basis with no pre-booking and will cease in November, date to be fixed later. Ten tickets have so far been sold. [Quote from Chair - “I must buy one soon!”].

3. AGM Membership List

Membership would like to thank new Trustee David Haywood for his painstaking and ingenious work in colour coding the BRLSI Membership list so it could be used effectively on the Front Desk at the October 2017 AGM. David has approached the task in true BRLSI spirit: his support and attention to detail was much appreciated.

4. Future Party dates - All confirmed with Layla Redman on 19.06.17.

Management Committee members have all been asked to check for possible clashes
